### **About the BNS**

The British Neuropsychological Society (BNS) is a society which builds on a relationship between clinical investigations of patients with neuropsychological impairments and cognitive neuroscience.

We hold biannual meetings for cognitive neuroscientists, clinicians from the clinical neurosciences and allied health professionals, in order to present and discuss cutting-edge theory, neuroscience methods, and their translation into clinical practice.

BNS members are also eligible to access [ebrain](#).

### **Data items**

The British Neuropsychological Society (<http://www.the-bns.org>) are the data controller.

Upon joining the BNS we ask you to provide the following data for administrative purposes:
